

**** It is winter again.**
Don't get a ticket for parking
downtown on Tues and Weds
mornings. **

Please take note of the Seasonal “No Parking” signs that were installed last year on 3rd, 4th, and 5th Aves. This parking pattern will allow snow and ice removal once per week from road edges. The weekly snow and ice removal will improve the effectiveness of the gutters and storm drains.

**REMEMBER THERE IS “NO PARKING” WEEKLY ON ONE SIDE OF THE ROAD
FOR 3RD 4TH AND 5TH AVENUES FOR THE WINTER SEASON.**
